

MANOROM CHRISTIAN CENTER PRAYER LETTER

July-September 2011

Praise for the past months

Top: Three new believers on the left hand side joined us the meal.

Bottom: More than ten students at Siladan prayed with Ms. Busakorn to accept Christ as their personal Saviour after hearing Bible stories.

First of all, we would like to thank God for what He has been doing in our language school over the past few months. We truly feel the Holy Spirit has been moving here throughout the course. It is a harvest season for us. Ever since we had students come to our English lessons we have not only taught them but we have spent time with them, sometimes inviting them to meals. Last month, two students prayed to receive Jesus Christ as their personal Lord and Saviour. Praise the Lord!!! At the moment they come to the English lessons regularly and usually join a Bible study prior to the English lesson together with New, a young believer. That is one thing for which we really want to give the Lord a BIG word of thanks. We are so thankful to have them in our family and we believe that God wants us to nurture them to become mature believers and to be used in His ministry in the near future.

Regarding the community services, we have been teaching English for free to the kids at the Siladan Community hall, about 10 Km from here. We also teach them to sing English Christian kids songs and tell them stories from the Bible. Just last week we had more than ten children at the community who prayed to accept Christ as Saviour.

Bible Study group in the school

they walk everyday with Him, and to teach them how to share the Gospel with their friends at school. To God be the glory...

The Bible Study group in Ulit High School, was initiated by a group of Christian students who are studying there. Ms. Busakorn, Mark, and Kook, as mentors of the group, go to teach them on every Friday after school hours. It has been a month already since the group started. We thank God for Kook coming to be part of our team as he experienced working with Youth for Christ before. The ultimate goal of the group is to train the Christian students in the school to be mature in their relationship with God as
